Tobias the Pokemon Trainer-Part 6

Tobias the Pokemon Trainer 6-What do we do now?

Tobias's growlithe walks behind the tree and see's Tobias fiddleing with his pokedex's wires."That is of no use to you in your current form Tobias", said Tobias's growlithe."Oh yes it is..just let me finish the food is sitting on the root beside you", said Tobias as he continues to work on the pokedex's wires."Eureaka!!!!!", Tobias shouts as he finishes putting 2 wires together.Tobias sets the pokedex on a nearby root."Growlithe?", Tobias asked."Yes?", growlithe answered."Do you think you could push the button on the pokedex for me it needs to get a clear shot of me", said Tobias."Ok...(growlithe pushes button and the identifier part flashes for a second and then says "Pikachu an eletric pokemon."Tobias dashes up to it , "Pokedex give trainer info", says Tobias hopefully.The pokedex flashes the info....Trainer Name:Tobias.....Trainer Age:13.......Trainer Picture:(a small holographic picture of Tobias in his current state appears."Yyyyyyeeessssssssss!!!!!!!!!!!", yells Tobias gleefully.Misty walks around the tree wondering what's so important than debateing what to do now that they are pokemon."What are you so happy about Tobias?" , asked Misty cleary quite sad about the groups predicament."I got the pokedex to get a picture of my current state and put it in Trainer info!", yelled Tobias still quite happy."That's important beacuse....?" ,she slowly asked."Only pokemon trainers can get a hold of pokedexs!And if we can make to a place where we can contact Professor Oak he might be able to help us!The pokedex's trainer info might just help stop some trainers if they try to catch us!", yelled Tobias who wasn't going to calm down.Brock and Ash had seen Tobias's last bit of a speech and were some how a little happier.

Team Rocket is still trying to make it out of Viridian Forest."Jesse where are we??!", asked James in a frightened tone.Jesse struggled to control her temper but smashes James's head against a tree "Where do

you think we are moron?!!Viridian forest!" A shadow falls over
Jesse."Uh..Jesse?" , said James."What?!!" , yelled Jesse."Why is that
Far'Fetched looking at us that way?", asked James puzzled.

After a little while Tobias had been able to get his friends current
state images into their pokedexs and then he went of back around the
tree and dragged 4 blankets behind him as he returned into the
clearing.Tobias lays 3 of them aside and rolls up in the others
one."i'm gonna go to sleep..I'm just plain tuckered out from today",
said Tobias."Well, then goodnight Tobias", said Ash."Goodnight all",
Tobias said just before he fell straight to sleep.Slowly, the friends
all drop off to sleep each getting a blanket.Then slowly,each one of
their pokemon drop off to sleep.The clearing is soon filled with the
sounds of dreams.

"Run faster James those Far'Fetched are right behind us!!", yelled
Jesse.The Far'Fetched began to corral Team Rocket into a seprate
clearing ."Meowth do something!!", shouted James.Meowth runs out
before the ring of Far'Fetched becomes to tight."Bye Jesse and
James!",Meowth calls over his shoulder as he runs away."Meowth
abadoned us to the Far'Fetched..",Jesse said."Ooooo that mangy
furball!!When I get my hands on him!!", James said.Jesse and JAmes
then turned their attention at the tightening ring of Far'Fetched.
